## OTP webinar compact

### "Successful communication in job applications"

*Applying is advertising!*

Reflect on the importance of communication in the application process and thereby make your positioning in the market more successful! Get to know basic models of communication and their application in the application process. Experience the different forms of verbal/nonverbal messages and how they work. Recognize the most important forms of questions and apply them in a targeted manner! Create a professional profile.

#### **You will benefit from...**

- the knowledge of how to design your communication in the application process in a professional way and thus position yourself better.
- tips and tricks on how to deal professionally with the topics discussed and from the exchange with and input from the other participants.
- our competent advice and our know-how on the current job market.

#### **Organization**

Our workshops are conducted online

#### **Duration**

1 hour

#### **Dates**
